Welcome to the new Kimpton Shane Hotel, opened September 2022.

Your wedding guests deserve a hotel as unique as they are. At The Shane Hotel we take your experience personally, inspiring us to delight you in a unique way you didn't know you needed.

With breathtaking views over Midtown, our 230 rooms and 18 suites pair with a calming color scheme of natural tones and deep blues, hardwood floors, and floor-to-ceiling windows. Suites include deep soaking tubs and two-bedroom suite options, featuring our Lumina Suite, located at the top floor with sunset views of west midtown.

Something borrowed, something blue, something delicious, something new. Where great food forms lasting memories: Hartley Kitchen & Cocktails will include the perfect pairing with a warm spirit for the perfect couple. Aveline is the best place to gather from happy hour to last call. Perched above West Peachtree Street, our open and energetic atmosphere and a stylish outdoor terrace capture each memorable detail.

Yes, our hotel has a stunning ballroom, a unique private dining room, over 6,600 SF of event space, spacious suites, and inviting mezzanine terrace. But these spaces are far more: they're thoughtful, deeply functional boutique havens where life's big events won't be forgotten. The perfect place for engagement parties, cocktail & dinner receptions, rehearsal dinners, bridal showers, brunches, and more.
